

CHALLENGE FUN RUN REGULATIONS

1. INTRODUCTION

The present conditions of participation describe the specifications on which the event called Challenge Fun Run 2018 will be developed (hereinafter the Event) composed of the distance of 4.000 meters.

Any incident not collected in them, will be resolved by the Technical Director of Challenge Madrid, the Race Director of Challenge Madrid and a Representative of the City Council of Buitrago del Lozoya.

These conditions can be corrected or modified at any time by the Organization with due communication to the participants and periods of claim and resolution of incidents, being always recorded in them the date of modification.

The fact of making the registration in the the modalitie proposed of the event shows the conformity of the participant with the totality of the content of the present conditions.

2. THE RACE

- a. The event is organized by Challenge Madrid U.T.E. the City Council of Buitrago del Lozoya with the collaboration of different entities, companies and volunteers.
- b. The date of realization will be September 22, 2018 with departure and arrival in the Municipality of Buitrago del Lozoya.
- c. Participation will be open to federated and non-federated participants.
- d. Insurance coverage is guaranteed during the test for all participants.
- e. The organization reserves the right to modify the content of these conditions provided that the security of the race and the integrity of the participants and the organizers will advise.
- f. Any questions raised by the interpretation of these specifications can be solved by contacting the organization through the following email: info@challenge-madrid.com
- g. The departure time will be at 12.00.

3. PARTICIPANT

- a. The communication of the organization with the registered person will be made through the contact channels provided in the registration form. In the case of minors, the Organization will assume that this communication process is being supervised by an adult and that the information transmitted through these channels is being correctly assimilated by the minor.

- b. Each participant must identify himself to the organization at the time of the collection of bib numbers by DNI or Passport and in the case of minors must present the corresponding authorization of minors signed by the father, mother or legal guardian (hereinafter Authorizing Person) who will know all the conditions of this regulation.
- c. With the registration each participant complies with all the conditions included in this regulation and will confirm that his/her health status allows him/her to complete the proposed route. In the case of minors, the authorizing person will give agreement that the participant complies with all the conditions included in this regulation and will confirm that the minor's health status allows him/her to complete the proposed route.
- d. The organization is not obliged to carry out any checking of the state of health, physical condition or training. Participation in the Event will be entirely and exclusively the responsibility of each participant and in the case of minors of the authorizing person.
- e. The registered person will be covered by an insurance policy arranged by the Organization. The insurance will not cover pathologies or latent injuries, imprudence, negligence, non-observance of the laws or of the Rules and Regulations, etc. nor the accidents that may occur during transfers to and from the place where the race will be held. Each participant or the Authorizing Person may obtain a copy of the terms and conditions of the referred insurance policy by requesting it from the organization via email.
- f. The Organization, any company, group and / or person that provides a service for the event, or that in any way collaborate in the Event, will not be liable to the person registered for any type of loss, damage, cost or claim, and is direct, indirect or that may result from participation in the Event, the transfer to and from the Event or any personal property that the person enrolled carries or uses in the Event.
- g. During the Event, the registered person will be able to receive medical attention and advice from the medical personnel designated by the Organization for the Event and, where appropriate, the Organization will assure its transportation to and assistance with a hospital.
- h. Any participant or person enrolled through the Authorizing Person has the right to refuse medical attention and advice from the medical staff of the Event.
- i. If the medical staff of the Event considers and motivates the Organization that participation in the Event may pose a risk to the health of the person enrolled, the Organization will exclude it from the Event.
- j. If necessary, the personal data of the registered person that constitutes medical information (either information referring to their condition or physical or mental health) can be computerized only by the medical staff of the Event to give medical assistance in the Event; said process shall only be carried out by the medical personnel subject to the duty of professional secrecy together with the rest of the guarantees provided in the applicable legislation.
- k. At the time of the collection of the bib number, each participant or through the Authorizing Person, the registered person must deliver the corresponding Responsible Declaration. This document will be accessed:
- At the time of the dorsal collection.
 - Downloading it from the test website www.challenge-madrid.com
- l. The bib number will not be given to those people who do not present the Responsible Declaration and the Authorization of Minors duly signed at the moment of the collection of the same.
