1. PREAMBLE

The present Regulation will be applied to the race called: "SIERRA OESTE SWIM CHALLENGE" to be held in the Pantano de San Juan, (Pelayos de la Presa) on September 21st, 2019 and whose Organization corresponds to CHALLENGE MADRID U.T.E.

In the event of any doubt about its interpretation, the final decision of the Organization will always prevail.

All participants with their registration accept this Regulation in its entirety.

The organization reserves the right to make changes in the present regulations if it considers it, being communicated through the web to the participants.

2. INDICATIONS

The swimmers must be prepared 15 minutes before on the "starting line".

It is mandatory to wear the swimming cap on your head until you cross the "finish line".

On the use of swimsuits will apply the rules of the "FINA".

The use of neoprene will not be mandatory but recommended.

The use of paddles, mittens, fins, booties, snorkel or any other type of material will not be allowed.

3. CATEGORIES AND DISTANCES

The race will be open to all those interested in participating, whether or not federated, who are in physical faculties to participate.

There will be 2 different starts, one of 1,900 meters and another of 3,800 meters.

In the 1,900 meter race the participation will be from the age of 11.

In the 3,800 meter race the participation will be from the age of 16

4. PARTICIPANTS

The communication of the organization with the registered person will be made through the contact channels provided in the registration form. The Organization will assume that this communication process is being supervised by an adult and that the information transmitted through these channels is being correctly assimilated by the minor.

Each participant must identify himself to the organization at the time of the collection of bib numbers by DNI or Passport and must present the corresponding authorization of minors signed by the father, mother or legal guardian (hereinafter Authorizing Person) who will know all the conditions of this regulation.

The authorizing person will give agreement that the participant complies with all the conditions included in this regulation and will confirm that the minor's health status allows him to complete the proposed race.

The organization is not obliged to carry out any checking of the state of health, physical condition or training. Participation in the Event will be entirely and exclusively the responsibility of the authorizing person.

The registered person will be covered by an insurance policy arranged by the Organization. The insurance will not cover pathologies or latent injuries, imprudence, negligence, non-observance of the laws or of the Rules and Regulations, etc. nor the accidents that may occur during transfers to and from the place where the race will be held. The Authorizing Person may obtain a copy of the terms and conditions of the referred insurance policy by requesting it from the organization via email.

The Organization, any company, group and / or person that provides a service for the event, or that in any way collaborate in the Event, will not be liable to the person registered for any type of loss, damage, cost or claim, and is direct, indirect or that may result from participation in the Event, the transfer to and from the Event or any personal property that the person enrolled carries or uses in the Event.

During the Event, the registered person will be able to receive medical attention and advice from the medical personnel designated by the Organization for the Event and, where appropriate, the Organization will assure its transportation to and assistance in a hospital.

The person enrolled through the Authorizing Person has the right to refuse medical attention and advice from the medical staff of the Event.

If the medical staff of the Event considers and motivates the Organization that participation in the Event may pose a risk to the health of the person enrolled, the Organization will exclude it from the Event.

If necessary, the personal data of the registered person that constitutes medical information (either information referring to their condition or physical or mental health) can be computerized only by the medical staff of the Event to give medical assistance in the Event; said process shall only be carried out by the medical personnel subject to the duty of professional secrecy together with the rest of the guarantees provided in the applicable legislation..
